## Library Advisory Board Accepting Nominations for the 2020 Community Champion Award

**Durango, CO:** The Durango Public Library Advisory Board is accepting nominations for the 2020 Library Community Champion Award. Applications are available online at [DurangoGov.org/Library](http://DurangoGov.org/Library) or at the Library information desk. Applications will be accepted through Friday, May 29.

Recognizing that the success of any public library is enhanced and sustained by dedicated citizens, the Library Advisory Board will single out certain individuals for their commitment through the Library Community Champion initiative. This distinction honors individuals' singular achievement on behalf of the Library and, in turn, the community.

Nominees' contributions should include:

- Serving as role models for dedication and service to the Durango Public Library.
- Expending significant time, energy and commitment on behalf of the Library and its patrons.
- Providing outstanding service and benefit to the Library.

Previous award recipients include Library volunteer Lynne Hardy, former Library Advisory Board members Bev Darmour and Steve Redding, and Friends of the Library Board members Nancy Peake and Maile Kane. For more information, contact Sandy Irwin, Library Director, at (970) 375-3389.
