10% sibling or multiple session discount with code TIDES10

#### Beginning Sailing

This is for sailors with little or no experience. During this 4 day sail camp, sailors will learn the basics of sailing as they spend the day on the water learning sailing skills, playing games and getting wet! By the end of the week, sailors will understand the principles of sailing, feel confident rigging, and being crew on a small sailboat. Independence, teamwork, self-esteem, science, environmental stewardship and unplugged outdoor play are the goals of this camp and of course to inspire a love for sailing!

#### Intermediate Sailing

This session is for sailors who are confident sailing a small boat either solo, or in small groups. During this sail camp, sailors will hone in their sailing skills and sail to the distant shores of Lake Nighthorse, challenge their fellow sailors in regatta sessions, and have the opportunity to sail a variety of sailing vessels. Sailors will keep a sailing log as they build on their knowledge of the principles of sailing, become local weather gurus, and have a blast on the water!
