NEWS RELEASE

Fertilization and Weed Abatement rescheduled

**Durango, CO:** The City of Durango promotes Best Management Practices in the stewardship of City lands to ensure the safe enjoyment of parks in the community. The City has contracted with Scott’s Pro-Lawn for turf fertilization and noxious weed abatement. An amendment of the previous press release schedule can be found below. Dates are subject to change based on weather conditions.

The herbicide used is called Vessel Broadleaf Herbicide and Q4 Turf Herbicide. Applications improve the quality of rights-of-way, parks and open spaces in the City’s system. The weed control is repeatedly tested and approved by the Environmental Protection Agency, and Scott’s Pro-Lawn is licensed by the Colorado Department of Agriculture.

The amended spray schedule is as follows:

- **Wednesday, April 29** – Third Avenue Parkway, Fassbinder Park and the common turf area at Durango Softball at Fort Lewis College.
- **Tuesday, May 11** – Greenmount Cemetery.

For more information, contact the Park Maintenance Division at (970) 375-7380.
