NEWS RELEASE

Bulk Water Filling Station Will Close for Construction

Durango, CO: The City of Durango Water Dock Station, the bulk water filling station located at 550 S. Camino del Rio, will be closed for construction Monday, September 21 through December 2020.

The City will be installing a new bulk water filling station with a more robust system that will provide more reliable service with less downtime for repairs. The site will also be expanded to allow for a second bulk water filling station in the future.

Customers' patience is appreciated during these upgrades. The City apologizes for any inconvenience caused by the required closure. Alternative bulk water filling stations include:

La Plata Archuleta Water District (application and PIN required)

- CR 225A and 160 (closest) - (970) 563-0320
- CR 311 (right after Oxford) - (970) 563-0320

Bayfield (application and PIN required)

- 579 Spruce Dr. - (970) 884-9544

Mancos (quarter operated)

- 101 E. Montezuma St. - (970) 533-7725
