Guided Fly Fishing Float Trips on Lake Nighthorse

Fly fishing guides from Duranglers specialize in custom guided trips to Lake Nighthorse targeting rainbow and brown trout. Duranglers will put you where the fish are and show you how to catch them. We'll teach fly fishing skills to beginners of all ages and provide fine points and useful tips to the expert angler. Duranglers is the premiere fly fishing guide service in the region. (Outfitter Registration #671). The hours of operation will vary through the open season depending on time of year, weather conditions and lake hours of operation. Half day and full day trips are available. Half-day trips will be about 4 hours on the water and full day trips more like 6 hours. From the time of arrival at the Lake to actual fishing would expect 30 to 45 minutes.

On full and half day trips the guide will provide rods/reels if needed along with flies and all terminal tackle. Due to COVID 19, guidance guides and anglers will be responsible for their own food and beverages.
