Please review our Covid- 19 safety plan for the rink.

Remember- Masks are required to be in the rink.

20th Annual Chapman Hill Skate Swap will be held outside Friday, October 2nd 3:30pm – 6:30!
Chapman Hill Rink Covid–19 Safety Plan

- A maximum of 25 participants will be allowed per hockey session and 50 for public sessions.
- All staff, instructors are always required to wear masks while in the facility, including on the ice. Hockey players and skaters will not be required to wear a mask on the rink while playing hockey or for public skate. Participants must return the mask to their face when they leave the ice.
- Temperature checks will be required for all staff, chaperones/parents, and participants.
- Patrons will enter through the main lobby entrance no more than 15 minutes before their designated ice time and must have their temperature read. If a patron registers a high temperature and or appears to be sick, that individual will be denied further access to the facility.
- Skaters must come to the facility equipped and ready to skate. The lobby and main hallway will have designated seating areas a minimum of 6’ apart for putting on and tying skates. These areas should not be used except for putting on and removing skates. These areas are not meant for congregating.
- Safe social distancing should be maintained on the ice. Six-foot social distancing is mandatory in the lobby and common area around the perimeter of the rink at all times except for chaperones/parents equipping their children.
- Bathrooms will be open for patrons but are not to be used for dressing or undressing.
- All water fountains will be closed off to the public. Skaters will need to bring their own, labeled water bottles. Absolutely no sharing of equipment, especially water bottles!
- Door handles, handrails, benches, walls, and any “touch” areas will be consistently wiped down with disinfectant.
- Any patron witnessed not observing state, local, and/or Chapman Hill Rink guidelines will be required to immediately exit the facility.

Please review the Governors orders
