MULTIMODAL TRANSPORTATION PLAN UPDATE KICKOFF

April 29, 2021
Meeting Norms

- Everyone stay muted until public feedback
- Please:
  - Raise your hand and wait to be called
  - Keep feedback to 3 minutes
  - Be respectful of other’s thoughts and opinions
  - Email your contact information to multimodal@durangogov.org
- This meeting is being recorded and will be posted
What is multimodal transportation?

- A network that incorporates all modes of travel, not just single-occupancy vehicles
  - Bus
  - Bike
  - Walking
  - Using a mobility device (wheelchair, walker, etc.)
  - Carpooling
What is the Multimodal Transportation Plan?

• Defines a vision and provides goals for Durango’s transportation network
• A road map that lays out how to integrate all modes of transportation so people can get around safely, with ease and have mode choice
• Identifies improvements such as:
  • Add sidewalk on E 8th Ave
  • Install bike lanes on 14th St
  • Traffic calming on 32nd St
Success Stories

- RRFB crossings at E 8th Ave and 3rd St, 25th St and W 2nd Ave
- Junction Creek bike lanes
- Needham Connect project including sidewalks, ADA-compliant curb ramp and curb extensions for traffic calming
- Over 200 curb ramps have been updated to ADA compliance through City Operations partnership
- New Transit app that allows for electronic fares
Why update?

- Plan was updated last in 2016
- A lot has happened since 2016
  - New development and redevelopment
  - New transportation trends and technologies
  - Changing community needs
  - Increased growth
Why should you care?

• The transportation network affects everyone
• Whether you commute to work, walk your dog, go to school, go to the grocery store, recreate, you use the network in some way
• People who use it every day are the best people to provide input to improve it
Schedule

- Public outreach for the plan will go through 2021
- Outreach will include
  - Neighborhood meetings for each zone
  - Walking, biking, transit, mobility device tours
  - Open streets
  - Pilot projects
  - Booths at events (farmers markets, etc.)
  - Smaller focused meetings with specific underserved groups
Multimodal Ideas Map

- New outreach and data gathering app
  - Located at Durangogov.org/MTP
  - The map will be available all year
  - Map ideas geospatially
  - Ideas will be retained in a layer
  - Draw bike lanes, identify lack of accessibility, add transit stops
Thank you!

- As a reminder:
  - Raise your hand and wait to be called
  - Keep feedback to 3 minutes
  - Be respectful of other’s thoughts and opinions
  - Email your contact information to multimodal@durangogov.org
