

Civility First Durango Pledge

This is a volunteer pledge program initiated by the Durango Community Relations Commission. The CRC came up with the idea after learning that visitors from Durango have suffered from inappropriate comments due to race and sexual orientation. A resolution creating the Civility First Durango Pledge was approved by the Durango City Council in November 2018.

The pledge program is designed to encourage businesses/organizations and individuals to model civil behavior and tone, and to promote respect for diversity for residents and visitors who live, work, shop and play in our City.

The Traits of the Civility First Durango Pledge include: Respect, Fairness, Compassion, Consideration, Kindness, Responsibility, Sincerity and Acceptance.

Take the pledge!
